

SKBA NUC & PACKAGE UPDATED 2026 SUPPLIERS LIST rvsd 260123 cm

This is a work in progress. Some of the listings are updated for 2026. Others have prior year prices. Please do not rely solely on the information supplied – check the websites -- verify and confirm with suppliers as to details, deposits, costs, pickups, etc. The suppliers are listed in alphabetical order – no recommendations are made or intended. Since packages take longer to build up in the spring, they are not recommended for beginner beekeepers.

See website for complete information and ordering

- Golden West deep 5-frame nucs - \$300
5 deep frames of healthy bees, brood, honey, and a queen in a reusable plastic nuc box. The Olivers' nucs' queens are raised in their nuc, so you will never get an unaccepted queen in a cage. We include 1 pound of pollen supplement to be fed to the bees during poor weather. No box returns necessary. Nucleus hives must be picked up in Shoreline or Carnation. We do not ship bees.
- Locally raised spring & summer nucs - \$275
8 medium frames of healthy bees, brood, honey, and a queen in a reusable plastic nuc box. Spring nucs will be made up with an Italian or Carniolan queen. Summer nucs are made by request. Please inquire about available races for Summer nucs via email before ordering.
- Package Bees - \$190-\$200 depending on race
3 lbs. of bees with choice of Italian, Carniolan, Saskatraz, or Golden West queen; no box refund.

SEATTLE HONEYBEES

<https://facebook.com/Seattlehoneybees>

Kathy Cox & Tracy Klein

2026 Information and Pricing

I'm starting to take orders for my limited supply of local spring nucs. Don't wait, they sell out fast! Pick up in Seattle in the spring (late April or May, weather dependent). All my queens are locally mated, have varroa hygienic properties, and are marked. None of my bees travel to the almond orchards.

Purchase options:

- 5-Frame deep nuc in cardboard box: \$275
- 5-Frame deep nuc in plastic ProNuc box: \$285
- 8-Frame medium nuc in used wooden hive box with screened top: \$300

Specify whether you'd like an over-wintered or spring queen while supplies last.

DM me for Venmo or Zelle payment options and/or questions.

2026 information and pricing

5-frame nuc \$200 (\$100 down payment due by end of March reserve)

Our nucs come with about 3 pounds of bees already established in a 5-frame colony with a Carniolan Queen (a hardy, gentle breed). This small colony consists of brood in all stages of development, with pollen and honey giving it everything it needs to grow. Most importantly, our nucs are raised in the Great Northwest.

10-frame colony \$275

These fully established 10-frame colonies with a Carniolan Queen (a hardy, gentle breed) consists of a large colony of bees at all stages of development. Brood, pollen and honey frames give colony everything it needs to grow. Most importantly, our bees are raised in the Great Northwest. You must provide the transportation boxes for transport as this is only the frames and bees.

20-frame colony \$375

These fully established 20-frame colonies with a Carniolan Queen (a hardy, gentle breed) consists of a large colony of bees at all stages of development. Brood, pollen and honey frames give colony everything it needs to grow. Most importantly, our bees are raised in the Great Northwest. You must provide the transportation boxes for transport as this is only the frames and bees.
